

Airway Neoprene Sleeve Series

Modern design and high-quality for Netbooks, PC's and Mac's

AM Denmark has created a light sleeve in modern design. Only the best material which ensures durability and wear-resistance as well as protection for your netbook or notebook has been used.

High-quality notebook sleeves

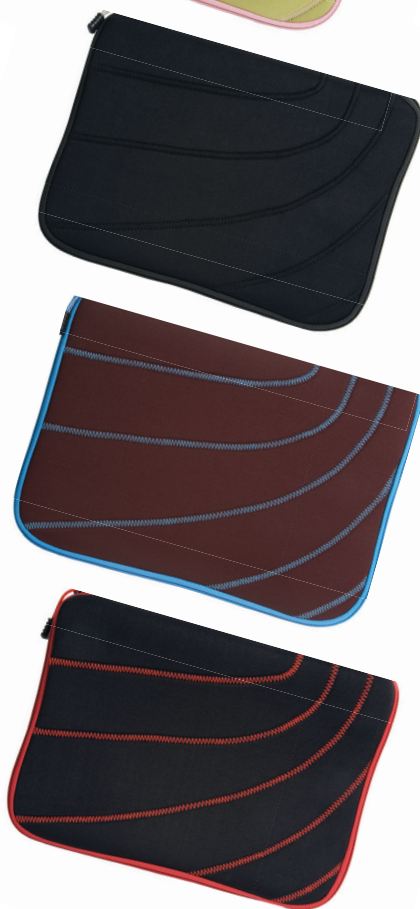

Airway is the new series of light, high-quality notebook sleeves. In addition they also have an attractive appearance in four different colours – from simple black in black to lively green with pink. A real eye-catcher! The light and fresh look is completed by the practicality of the sleeves. Furthermore they are available in five sizes and offer safe space in top-quality neoprene for your trendy 7-9" to the 17" notebook. The material not only makes sure a perfect protection but it is also water-repellent. If necessary the sleeve can be washed by 30 °C.

Modern design and protection

The Airway Sleeves are in a unique and modern design that suits even the most spoiled user. Four different colour combinations will fit the taste of fashion-conscious men and women: black/black, black/red, brown/light-blue and green/pink. The thick neoprene corresponds to a wetsuit – so you can be sure that your netbook or notebook is perfectly protected. Who will accept less for his beloved notebook?
